

FOUR GIANT REGULARS SIGN AFTER CONFERENCE IN TRAINING CAMP

RANKS OF GIANT HOLDOUTS BREAK

Bancroft, Snyder, Smith and Rawlings Come to Terms With Manager.

NEW PITCHERS IMPRESS

Virgil Barnes and Claude Jonnard Appear to Have Won Regular Berths.

By DANIEL.

SAN ANTONIO, Tex., March 6.—There was a big break in the ranks of the holdouts among the Giants this evening. After a conference with John McGraw, Dave Bancroft, Frank Snyder, Earl Smith and Johnny Rawlings signed their contracts for the coming season.

As Irish Meusel affixed his signature to the papers a few days ago only Jess Barnes, Phil Douglas and George Kelly now hold the fort for the salary revolutionists. The supposition that Fred Toney, who has not yet reported, also was a holdout was dispelled by McGraw, who declared that the big pitcher had signed for two years in 1921.

"I had a very amicable talk with the players," said McGraw in making the announcement, "and it did not take us long to come to terms. There were no serious handicaps to overcome. It was just a matter of getting together and until today I had not had the time. Besides, it was not an urgent matter."

"How about Jesse Barnes?" we asked. "Did you have a talk with him too, and what is his status?"

"No, I have not discussed his contract with Barnes," the manager replied. "I have been waiting for him to approach me. We have sent him his contract and he knows what we want to pay him. If he has a grievance, why doesn't he come to me and explain just what he desires? I do not know what he wants."

Douglas Sends Word.

"As for Douglas, he sent me a very nice telegram explaining that his mother is ill and that he would report as soon as possible. Toney is recovering from a severe illness, and he also will come down as soon as he is able. It is to be expected that these veterans are not on the job, but it can't be helped. Kelly too ought to be along any day."

We asked Barnes to-night what the nature of his grievance was and he replied that it was entirely financial and that the club knew what he was after. "I have stated my case to the club and I am waiting for it to reply," he said.

The signing of Bancroft, Snyder, Smith and Snyder since the arrival of the Giants here has broken up a condition which was without parallel in the history of the team. The McGraw regime. Never before have so many of the Giants in camp for almost a week with seven veterans still unsigned. Meusel, it developed, really was not a holdout and he signed his contract to McGraw as soon as he came here from the coast. Not that the fact that so many men were holdouts retarded the progress of the Giants, but the signing of four more clears up the air considerably.

White Sox on Saturday.

McGraw has informed the players that while they must not take the contests too seriously, they must not loaf. He does not want a repetition of the condition which led to the losing of two straight to the Athletics last spring. A preliminary to the meeting with the White Sox there will be a game between the regulars and the mixed Tortillas and Enchillados to-morrow, and on Thursday San Antonio will face the Giants.

The program to-day called for batting practice for the regulars both in the morning and afternoon, a hard workout for the veterans and a game between the regulars and the mixed Tortillas and Enchillados to close the day's entertainment. The old pitchers continued to hold themselves in restraint, but the youngsters were ordered by McGraw to cut loose. They showed more than we had seen from recruit fingers at this stage in years. In this connection let us say that the kid pitchers who are working with the club this year average far higher than any which McGraw has had in a decade.

While it is a bit early to make predictions we believe that Virgil Barnes and Claude Jonnard, who have won regular positions and will remain after the pruning process, Barnes has a wonderful change of pace and a fast curve which reminds us of his brother Jesse's big asset. Jonnard, who came to the Giants from Little Rock last fall, has a world of stuff, a heap of speed combined with a fine curve ball which made him the surest king of the Southern League.

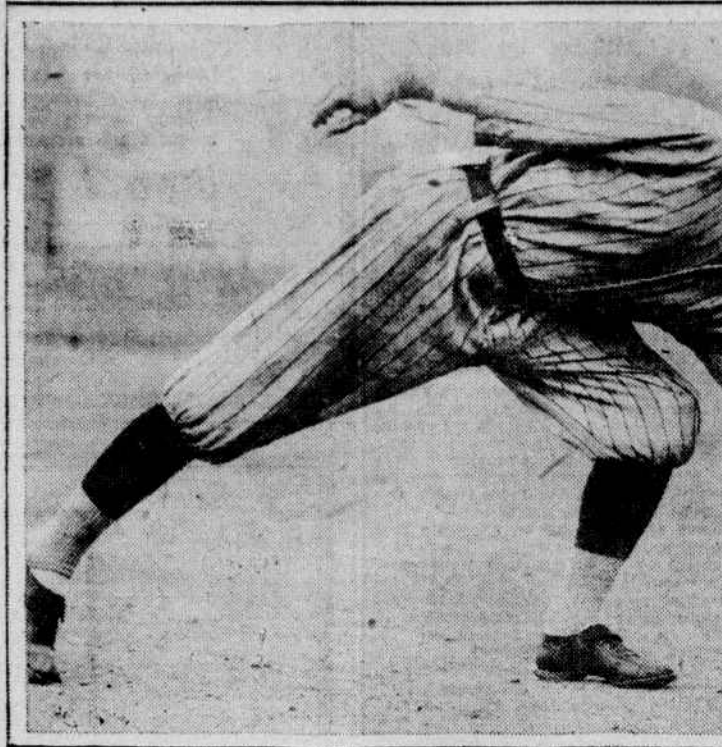

Enchillados Benton.

Malone, McGoughlin, Benton, Proctor and Alton were in the scrub game this afternoon, and some of the boys let loose with a vengeance. The Enchillados, led by Casey Stengel, who took a beating yesterday, turned the tables on the Tortillas by a 3 to 2. To-day they have had the strongest line-up they have had thus far and they should have won by a bigger margin, but the Tortillas got some fine pitching in the ninth.

Proctor, a young right hander from Columbia of the Sally, sent up a curve which had some of the big fellows on the Enchillados guessing and making vague motions. Said Casey Stengel: "Bring that bird out next week. I can't see so well just now. My feet hurt."

The winners had Cunningham, Shinn and Stengel in the outfield, and the losers had some midseason stuff on defense. Cunningham is showing signs of the sensational every day, while Shinners also keeps on improving. Shinners pressed the Boonies hard for the honor of being the hardest worker in camp. This man Boone is tireless, never idle for a minute and always finds something to do. As a result he has made himself solid with McGraw, who

Hornsbey May Soon Put Signature to Contract

SAN LOUIS, March 6.—Rogers Hornsbey, leading batsman of the Cardinals to-day, expects an agreement on a 1922 contract, it was announced. Hornsbey, who has been holding out for \$25,000, stated he had "shaved a bit" off the demand, and Sam Breadon, president of the local club, stated he had made "some concessions."

It is understood Hornsbey has brought his figure down to \$20,000, but the Cardinals officials are unwilling to pay more than \$17,000.

On evidence shown thus far we cannot say that Boone is a ball hawk, but he is doing better as the days pass. It is unfortunate that there isn't any first baseman around, so that Boone could take his regular position in the outer defense. In the games of the last few days he has been covering the Kelly station and he may be placed there on the regular team until long George makes his appearance. No word yet has come from Kelly.

The lineup for the game was as follows:

EXCHILLADOS—Benton, 1b; Poland, 2b; Shinners, cf; Cunningham, lf; Stengel, c; Black, ss; Benton, 3b; Sammie, rf; Tortillas—Kopel, 1b; Hale, 2b; Fitzgerald, 3b; Benton, cf; Brown, lf; Norland, rf; White, c; Brown, c; Benton, p; Proctor, p; Alton, p.

Sunday Experiences.

There was a general exchange of Sunday experiences in the lobby to-day. Those of the regulars who went fishing yesterday announced that they had left nothing but a few of the fish in Medina Lake. As the entire squad brought back just twenty-three fish, fifteen caught by Snyder, the lake must have been all fished out. It's only eighteen miles long. One of the regulars told a tall one, taller than any Capt. Fitzgimerald at his best, but we won't give him away. Arthur Neff, who saw the ball fight at Piedras Negras yesterday, gave a vivid description of the gory event. Three bulls were killed in the customary gentle manner. "I sure would hate to pitch down in Mexico," said Neff. "The boys are too handy with their bottles. One of the matadors did not work fast enough. Accordingly he was met with a shower of glassware. A bottle broke on his head and cut his scalp. A fine time was had by all."

There were two counter attractions at the Piedras Negras. The Mexican baseball team, who played a scrub game across the river at Eagle Pass where they are training, imagine charging into to see two mixed Mexican teams, each other. The Mexican handball for the game called the Athletics "champions of the world."

Jack White of Livingston Manor, N. Y., home papers please copy, came down here listed as an infielder, but he is nothing of the sort. He is an outfielder and a pretty fast one, though not likely to win over Cunningham, Shinners and Boone.

Fire hero Berry had to take a lot of joking to-day about his rescue of an aged invalid on Saturday night. But Berry is a favorite with the boys just the same. He is out there working like a beaver all day.

An effort is being made to transfer the big time to which Neff plans to go for Judge Landis to this city from Austin. The Judge will be along here one of these days.

Nothing but blue skies and a warm sun here these days.

Bender and Lobert Coaching the Army Baseball Team

WEST POINT, N. Y., March 6.—Charles (Chief) Bender, former big league hurler, has been here for the last week working with Hans Lobert, coach of the Army baseball team, in the preliminary development of the cadets' baseball nine. Bender handled the Army pitching staff and has given invaluable assistance during his brief stay here. Army opens the baseball season April 1 against Bowdoin. The complete schedule will be announced this week.

Roush Still a Holdout.

CINCINNATI, Ohio, March 6.—Eddie Roush, outfielder of the Cincinnati Nationals, failed to sign a contract to-day when he had a short conference with President August Hermann. Another conference will be held to-morrow, after seeing Mr. Hermann Roush said that if he did not sign to-morrow he would return to his home at Oakland, Ind. Louis Fosseco, who signed earlier in the day, will leave for Mineral Wells to-morrow.

Kerr Still Holding Out.

CHICAGO, March 6.—The failure of Dick Kerr, the diminutive pitcher of the Chicago White Sox, to report at Seguin, Tex., the training camp, and sign his contract, failed to bring the club officials and Manager Glenmon "Moose" Kerr is holding out for an increase in salary.

Eastern Ballplayer Dead.

EAST LIVERPOOL, Ohio, March 6.—Jerry Darran, 49, a member of the Cleveland baseball club when that city was in the old American Association, died here to-day.

BABE RUTH SILENT ABOUT HIS SALARY

Guessing Contest Continues at Hot Springs as Bambino Plays Golf.

Special Dispatch to THE NEW YORK HERALD.

HOT SPRINGS, Ark., March 6.—Babe Ruth, having settled all financial arguments with Col. Huston and the Colonel having done as much with Babe, smacked each other all over with the olive branch to-day. Ruth led the way by asking the Colonel and Phil Lynch to join Joe Bush and himself in a golf match.

The Colonel asked to have the test put off until to-morrow, and instead of playing the game came to the links with two cartloads of "golfers" composed of Eddie McAndrews and Sol Harris, the carnival king; Phil Lynch, Tom Wilson, Danny Gorman, Harry Frazee, Jack Adler and Jack Sharkey, the bantam. Babe loves a gallery, but he must have been flustered by the presence of his big boss, as he was slicing and hooking dreadfully. Babe was getting distance, but no direction for the edification of Col. Huston and the gallery.

They followed Ruth and Bush for nine holes and decided that the pace was too hot to follow. Ruth became enraged over one particularly dumpy drive and celebrated the mishap by tossing his club away so hard that he cracked the shaft in two. A dozen caddies who had joined the gallery pounced on the club, striving for a souvenir. Ruth was all silence about the amount he had gleaned from the Yankee management. A close ball player friend dropped the word last night that Babe had set his mind on \$50,000 a year for five years, with an additional \$10,000 to be added each year as a bonus for signing. This would bring Babe's total salary to \$300,000 for the signed period, to say nothing of home run bonuses.

Harvard Football Practice to Begin Late This Month

CAMBRIDGE, Mass., March 6.—The Harvard football management isn't going to let the editorial objections of the Crimson, the college daily, which is opposed to pre-season football practice, overrule common football sense, for Coach Bob Fisher to-day set March 27 as a tentative date for spring practice. The practice will last three weeks. One or two meetings will be held before that time.

Capt. Charlie Buel is busy making arrangements, and all candidates are expected to sign up by next Wednesday.

Crimson Athletes to Carry Emblem in Relay Race

CAMBRIDGE, Mass., March 6.—In a relay race for managers of the different athletic teams at Harvard, which is to be a feature of the winter carnival on Soldiers Field Wednesday, it is planned to have each man carry an emblem of the game he represents.

The diamond men will carry a baseball, the crew an oar, the hockey men a puck, the gridiron men a football, and the track men either a vaulting stick or shot. The managers will run anchor as their assistants in the other positions.

OLSON'S HIT BEATS DODGER YANNIGANS

Hard Fought Game Undecided Until Ninth—Grimes and Johnson Absent.

Special Dispatch to THE NEW YORK HERALD.

JACKSONVILLE, Fla., March 6.—The Dodgers were sent through two more hard practice sessions at the park in South Jacksonville to-day. The morning workout was devoted to hitting practice and in the afternoon the teams played the third game of the series between Regulars and Yannigans. It went nine innings and the Regulars won by 6 to 5. As the score indicates, the game was a close one. The regulars did not push their winning runs over the plate until the eighth session, when, with the bases loaded, Ivan Olson cracked out a two base hit.

Ruthie, Governor and Vance each pitched three rounds for the Yannigans and Cadore, Shriver and Brown divided the hurling task for the winners. The Regulars got to Ruthie in the first frame for one run. With one out Olson was safe at first when Janvryn made a wild peg to the bag. He added a second run when Tom Griffith singled and scored while Wheat was forcing Tom at second.

In the second, the Yannigans scored two runs. They were the result of a double by Bert Griffith, a triple by John Roseberry and a sacrifice fly off McCarran's bat. In the same inning the regulars pushed two more runs over the plate. Bert Griffith doubled and scored on Ward's triple. "Chuck counted when Hurling sent a long fly to Roseberry in left field.

The Yannigans scored a run in the third on Janvryn's single, his steal of second and another two bagger by Bert Griffith. The regulars also scored when Tom Griffith doubled and Zack Wheat did likewise.

In the fifth the Yannigans forged to the front when they made two runs off Shriver. With one out Nels was hit by a pitched ball, and after Janvryn was retired, Bert Griffith went to the front with his third extra base hit of the game. It was a triple and scored Bernie. Post sent Bert home with a neatly placed single to short left.

Vance was pitching when the regulars pushed over what proved to be their winning tallies in the eighth. Schmandt started the rally with a single and moved to second on Ward's triple. Hurling fanned, but the bases were filled when Brown beat out a hit to the pitcher. High forced Schmandt at the plate and Nels advanced to right center for two bases, scoring Ward and Brown. High also tried to count on the hit, but was cut down at the plate.

Sam Crane is suffering from a cold and did not put on his uniform. Duffell Grimes and Jimmy Johnston failed to show up, and President Ebbels is about ready to issue a statement regarding the two missing players. They are holdouts and the only ones absent from the camp.

Set New Singles Record in Western Bowling Tourney

TOLDO, March 6.—Establishment of a new singles record of 729 for the American Bowling Congress and entrance of a new pair at the head of the two men department featured competition in the minor events of the tournament here to-day.

Waldorf Lundgren of Chicago went into the lead of the individual with a 729, which is 11 pins higher than the mark set by Harry Cavan of Pittsburgh in 1919. Lundgren put together games of 234, 232 and 263 for his total.

The feat also placed Lundgren at the head of all the events with 1,856. E. Peterson and F. Zinn, also of Chicago, shot into the lead of the two men division with a team score of 1,248.

Flagstead Takes Bride.

OLYMPIA, Wash., March 6.—Pete Flagstead, star outfielder of the Detroit Angels, the college daily, which is opposed to pre-season football practice, overrule common football sense, for Coach Bob Fisher to-day set March 27 as a tentative date for spring practice. The practice will last three weeks. One or two meetings will be held before that time.

Capt. Charlie Buel is busy making arrangements, and all candidates are expected to sign up by next Wednesday.

Red Infielder Joins.

CINCINNATI, March 6.—Louis Fosseco, an infielder, came to terms to-day with President August Hermann of the Cincinnati Nationals and signed a contract to play with the Reds. Ed Bush, star outfielder, is the only Red still unsigned. He is expected to confer with President Hermann late to-day.

MEUSEL AND ROTH REACH YANK CAMP

Former Announces Acceptance of Contract Terms—Rain Rains Practice.

By CHARLES A. TAYLOR.

Special Dispatch to THE NEW YORK HERALD. NEW ORLEANS, La., March 6.—The Yankee training camp was again subjected to a thorough drenching this morning with the result that the plans of Manager Huggins for a general workout were sadly upset. The sun peeped through the clouds, however, at 1 o'clock this afternoon and Miller immediately ordered all the battery men to make for the ball park. The going was heavy and the best the boys could do was to toss the ball about.

Fred Hoffman, Bob Conner and Charley O'Leary donned the big mitts and handled the varied assortment of slants served them by the rookie pitchers, Jolley, Wilson, Culp, Murray and Quinn, and Jones and O'Doul, veterans. Jolley declared it was a fine chance for him to take off another twenty pounds if allowed to slug the boys around the park, but Huggins told the southpaw he would get stuck in the mud and there weren't enough men on hand to pull him out if it came to that.

Two veterans affixed their names to the hotel register this morning in Bob Meusel and Bob Roth. Meusel reported that he had been ill from influenza and had lost some twenty pounds, but he looked pretty fit at that. The lanky slugger will have plenty of time to get into condition thanks to the leave of absence given him by Landis, as for Roth he announced Huggins could stop worrying about that right field vacancy, as he was prepared to step right into the job. Camp Skinner and Hinky Jones, who have the same ambition, took Bob's bold statement with several grains of salt and a dash or two of pepper. So it looks like a merry set.

Ward Only Inaugural.

Meusel said that he already had sent his signed contract to the New York offices, so another name can be erased from the holdout slate, leaving Aaron Ward as the only serious holdout. There are no developments in the Ward controversy. Huggins has wired the two Colonels the result of his interview of yesterday with the disbeliever, but it is assumed that Tillghast L'Honniedieu Huston has been so busy tossing coins with the big Babe that he has had no opportunity to confer with partner Ruppert regarding the matter. Ward is still in camp.

The New Orleans fans are demanding that Ruth take part in the two games scheduled between the Yankees and the nine for Saturday and Sunday, and Manager Huggins said to-night that he intended to send for the big bruiner in order to satisfy the clamorous ones.

Al De Vore, catcher, and Mike McNally, infielder, already have been instructed to quit the Hot Springs baths and they are expected to reach here some time to-morrow. All the players who are now at the Arkansas resort will be in camp by the first of next week. Their things really should begin to pack up by the local weather director will change his tactics in return for the pastboard admitting him to all the exhibition games which Manager Huggins has sent him by special messenger.

Mark Roth, one of the most eloquent members of the Yankee bed of strategy, has just crawled out of bed after a four day wrestle with the grip.

Sends Photo Home.

George Murray, the handsome young right hander from Charlotte, N. C., who was under the more or less protecting wing of George Stallings at Rochester last season, isn't forgetting the folks back home. When he saw the picture taken of him by Charley Conner, the club photographer, Murray said: "Mister photographer, that's a mighty fine picture. I wish I could have one of the camera man grunted. 'Want to send it to some girl, I suppose?' 'Yes, sir,' replied George. 'I want to send it to my mother.' And George did."

Stuyvesant High School Plans to Restore Rowing

An earnest effort to restore rowing in the public high schools of this city has been started with success by Stuyvesant, which is regarded as the city's sports port. Rowing is regarded as the city's sports port in Stuyvesant, and letters will be awarded to the school which has the largest number of rowers. The school which has the largest number of rowers will be awarded a letter and a trophy. The school which has the largest number of rowers will be awarded a letter and a trophy.
